

Still Mountain Community Meeting Minutes
April 8, 2018

Reports

- Treasurer - Is out of town but the report at the Board meeting last week was that all accounts were at good levels.
- Teachers' Council - Children's Program will hopefully begin soon. Questions were answered

Board Report

- Reviewed Board members and positions.
- Announced new Lead Facilitator who is facilitating this meeting.
- Shared plan to have emails sent out regarding notification of regular events (Community Meetings, Discussion Sundays, Dharma talks) and who is responsible for sending each out.
- Clarified purpose, access, and how to join Still Mountain's email systems - Announce (which is accessed by leadership and monitored weekly) and Still Social which is open to everyone for sharing social opportunities, personal information/needs, and providing meditation-related information for opportunities (talks, retreats, books, etc.). Clarification of this on the website is in process. Details were provided and questions were answered.
- Shared plans to update the directory: We have a volunteer to do that but this will start after we put a system on place that would enable easy input and access for those on the list. This is in process.
- Volunteers positions open are: A second facilitator and 2 minute-takers for Community Meetings. Both positions are for 3 meetings/year each (6 meetings/year).
- Shared goal to promote involvement and ownership of Sangha participants; suggested they follow regular events, offer to participate when needs arise, and share ideas.

Next Community Meeting - June 10, 2018, 11:00 am, at The Turner Resource Center.
