

Still Mountain Community Meeting Minutes
June 10, 2018

The ground rules and agenda were reviewed. There was no Board report today.

Proposal for silence: A proposal was brought forth to not have discussion in the room before our meditation sitting on Sunday mornings. It was approved unanimously.

Proposal for starting the Children's Program

- The proposal is to agree to a partnership with A2 Mindful Families to hold a monthly Sunday Children's Program that is focused on teaching children to experience mindfulness. This is the second vote per Bylaws; the first vote was on May 13, 2018 when it was approved.
- A description of the program and the CV's of the teachers were emailed to all Still Mountain participants last week.
- The proposal was reviewed and discussed, questions were answered.
- The program would run in the adjacent room concurrently with our Sunday meditation and sharing one Sunday per month.
- The proposal for a 6-month trial of the program was approved.
- The Teachers' Council will complete the arrangements.

The next Community Meeting will be at 11:00 a.m. on August 13, 2018, at the Turner Resource Center.
